

Mensa Romania Spring AG, Timisoara
April 20th – April 23rd, 2017

EVENT LOCATION

Timisoara, Romania
Hotel Boavista 3*

AREA DESCRIPTION

Sometimes great events begin on the street...

In 1884, Timisoara was the first city in mainland Europe to have electric street lighting.

In 1989, the flames of the revolution against Ceausescu's communist regime were kindled in Timisoara, making it Romania's first free city.

In 2021, Timisoara will be the European Capital of Culture, sharing its history and spiritual values with the world.

But Mensa would like to take things one step further.

This year, Timisoara will be hosting the Mensa Romania Annual Gathering. So you are cordially invited to discover why Timisoara was dubbed 'The City of Premiers' as you join us in a Mensa-style treasure hunt - on the cobbled streets of Timisoara, no less.

Distance from the venue to the closest international airport + Henri Coanda International Airport:

Timișoara International Airport – 12 km

Budapest International Airport – 300 km

Otopeni International Airport – 555 km
